priced at only **\$595<sup>00</sup>**  
F.O.B. FACTORY

## THE NEW FILBEN MAESTRO OFFERS YOU THE FOLLOWING

- The only one-sided 30 record selector made, and its changing time is less than six seconds. That means 30 hits.
- Adaptable with 20-24-30 record wall boxes, and can be used with 2 or 3 wire installation in conjunction with an adapter unit. That means more intake and more coin.
- Amplification unit has a maximum undistorted output permitting the use of FIVE AUXILIARY SPEAKERS. That means better sound coverage for any location.
- A high temperature crystal pickup with less than 1¼ ounces needle pressure. That means noiseless surface, longer wear, and more plays.
- And only \$595.00, f.o.b. factory. That means the best money making and money saving buy for 1948. Available immediately. Contact your nearest distributor.
