BULLETIN NO. 168  
(Model "I")

TO: All Distributing Office Service Personnel

SUBJECT: New Number Strips for Model "I" Title Racks

The background color of the number strips on all Model "I" title racks is being changed from silver to white. This will improve the legibility of the letters and numbers.

When replacement title racks are ordered, the color - silver or white - should be specified along with the part numbers of the racks desired.
