## FILBEN MIRROCLE MUSIC

Gone are the days when an operator is forced to pay out big money because of yearly changes in the designs of cabinets. Your electric selection phonograph mechanisms, properly serviced, have many, many years of good reliable service . . . hundreds of thousands of plays . . . why discard these mechanisms or trade them for a fraction of their real worth? FILBEN MIRROCLE UTILIZES YOUR OLD ELECTRIC SELECTION MECHANISMS! This beautiful, sturdily built combination chromed steel and mirrored cabinet is the MOST SENSIBLE NEW IDEA IN AUTOMATIC MUSIC! All you ever have to do is replace with a new FILBEN MIRROCLE CABINET at a small percentage of the cost of a new phonograph. The FILBEN MIRROCLE CABINET has a 30 SELECTION PANEL. Other selection panels for 20 and 24 record selection are available. The FILBEN MIRROCLE CABINET is a beautiful design of colorful illuminated beauty. The center mirror panels are interchangeable.

CABINET SIZE: 72" High — 42" Wide — 18" Deep.

The hinged selection panel affords ready accessibility for fast, easy, servicing. Program changes, cash box, coin mechanism, coin return, junction box and accumulator are all at the serviceman's fingertips.
